

EU Declaration of Conformity

According to the Directive 2006/42/EC of the European Parliament and of the Council of 17 May 2006 on machinery

We hereby declare that the design and construction of the machine described below, as well as the design we have introduced into the market, complies with the basic safety and health requirements of the the Directive 2006/42/EC of the European Parliament and of the Council of 17 May 2006. This declaration loses its validity if the machine is modified without our agreement.

Manufacturer:

nordluft Wärme- und Lüftungstechnik GmbH & Co. KG
Robert-Bosch-Straße 5
49393 Lohne - Germany
Tel.: +49 (0) 4442 / 889-0
Fax.: +49 (0) 4442 / 889-59
E-Mail: info@nordluft.com
Web: www.nordluft.com

Description and identification of the machinery:

- Series: direct-fired combustion unit for use in ventilation units and for process heat generation
- Version: NL-A...; NL...
- Order numbers: 20...; 650...; 660...

Compliance with other directives/regulations applicable to the product:

- EU Directive 2006/42/EC Machinery Directive

Applied harmonized standards in particular:

- DIN EN 12100: Safety of machinery - General principles for design - Risk assessment and risk reduction
- DIN EN ISO 13857: Safety of machinery - Safety distances to prevent hazard zones being reached by upper and lower limbs

Other technical standards applied, in particular:

Authorized representative for technical documentation: Bernhard Thiel

Address: see manufacturer

Lohne 22.10.2019

Dipl. Ing. W. Kampers (Managing Director)
